## » Current Management of Prostate Cancer What You Need to Know

Men are being diagnosed with prostate cancer at an alarming rate. Join us for the next Kaleida Health Education Series as we focus on your concerns, your questions and offer medical insights to get the treatment plan that's right for you.

K. Kent Chevli, MD will lead this open and frank discussion and provide you with all the information you need to make important decisions about your health:

Become knowledgeable about:

- What is PSA
- What is prostate cancer
- Who is at risk
- How is it diagnosed
- What you need to look for
- How is prostate cancer treated

**Wednesday,  
October 7, 2009  
5 – 7 p.m.**
