

2004 Annual Report

*Everyday  
Heroes*

*T*

he Kaleida Health Foundation is a not-for-profit charitable organization supporting Buffalo General Hospital, DeGraff Memorial Hospital, Millard Fillmore Gates Circle Hospital, Millard Fillmore Suburban Hospital, and the Visiting Nursing Association of Western New York.

The Kaleida Health Foundation, by fostering charitable relationships and increasing philanthropy, supports Kaleida Health in its mission to advance the health of our community every day through exceptional care, education and research.

Through the generous contributions of our everyday heroes, including individuals, physicians, corporations, foundations and our employees, the Kaleida Health Foundation is able to support state-of-the-art equipment, research, education, community health and wellness programs, and charity care.

## *Board of Directors*

The Kaleida Health Foundation has a committed Board of Directors who lead philanthropic efforts to benefit our hospitals. We extend a sincere thanks to these outstanding community leaders and the countless others who partner with us in support of quality health care.

**Peter S. Marlette, Esq.**

**Randy S. Strauss**

**John N. Walsh, III**  
*Secretary*

*I*t is an exciting time at Kaleida Health, and we at the Kaleida Health Foundation are thrilled to be a part of one of Western New York's great success stories.

Sometimes we get caught up in the business of health care and forget about our underlying goal – to improve the health of people every day. Health care is about people – and it is through the work of our donors, volunteers, charitable foundations, corporations and special friends that we are able to influence the health of our community.

Philanthropy is an integral part of our culture. Countless individuals selflessly give of themselves in order to help their neighbor, effectuate change and contribute to the greater good of society. It is these individuals whom we recognize as our everyday heroes. They are the reason the Dr. Grover W. Wende Lobby was dedicated at Buffalo General Hospital and the Joe Oliverio Hospice Room was dedicated at DeGraff Memorial Hospital, among the numerous other projects and initiatives highlighted in the following pages.

As we look forward to bigger and better things, I can only imagine the limitless possibilities that can be achieved as a result of your past and continuing generosity.

Peter S. Marlette  
*Chair*  
Kaleida Health Foundation

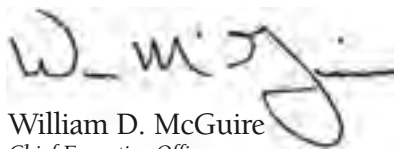

T

hroughout the years I have been in Western New York, I have been continually impressed by the warmth, generosity and commitment of this community.

Time and again, individuals have come forward to unselfishly offer their time, talent and treasure in support of our patients, physicians and nurses.

From the “pink coat” auxiliaries who offer a warm smile to guests, to the business community who support events from which the proceeds fund needed programs and equipment, these people are vital to our mission. It is through their generosity that we continue to provide excellent health care to friends and neighbors.

On behalf of patients at Buffalo General Hospital, DeGraff Memorial Hospital, Millard Fillmore Gates Circle Hospital, Millard Fillmore Suburban Hospital, as well as residents in our long-term care facilities, we thank you from the bottom of our hearts.

William D. McGuire  
Chief Executive Officer  
Kaleida Health

# You make all things possible!

We are grateful for the generosity of the many individuals, corporations, and organizations whose names appear in the following

lists. Their support helps to bring the Kaleida Health mission to life. This annual report lists donors of \$250 and above. In addition to the

donors recognized on these pages, nearly 2,760 others contributed gifts of up to \$249. Thank you.

### \$500,000 and above

Biogen Idec Pharmaceuticals

### \$100,000 to \$499,999

Community Health Foundation of Western & Central New York

Hauptman-Woodward Medical Research Institute, Inc.

Millard Fillmore Suburban Hospital Women's Board

TEVA Neuroscience, Inc.

### \$50,000 to \$99,999

Medical/Dental Staff of Kaleida Health  
NYS Office for the Aging

### \$25,000 to \$49,999

## Becoming a Hero through her Legacy

Rhea Stewart Wende defined her legacy while honoring her late father-in-law, Dr. Grover W. Wende (1867-1926). Dr. Wende, a nationally recognized skin specialist and distinguished Buffalo General Hospital physician, passed away in 1926 after being fatally struck by a trolley car.

Through a \$1 million bequest to the Kaleida Health Foundation, Mrs. Wende changed the look and feel of Buffalo General. As a result of Mrs. Wende's generosity, the renovated Dr. Grover W. Wende Lobby at Buffalo General Hospital was dedicated December 9, 2004.

## On the Links

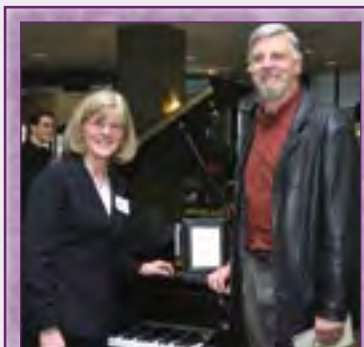

The fourth annual Kaleida Classic Golf Tournament at the Country Club of Buffalo was the scene of some keen skill on the greens. Nearly 190 golfers joined Chair William H. Pearce, Jr., tournament sponsor Cardinal Health, and hole-in-one sponsor Northtown Automotive Companies, for the tournament which was an enjoyable day for the true golfer.

## 30 years of Caring for our Community

In August, special friends gathered to celebrate Millard Fillmore Suburban Hospital's 30th anniversary. The week of festivities included a Founder's Celebration which recognized those who had the foresight to build a community hospital on what was considered "farm land" and those who throughout the years have contributed time, talent and treasure to make the hospital what it is today.

## Excellence through Leadership

This year, the Kaleida Health Foundation honored four unsung heroes during its annual Excellence in Philanthropy celebration.

Reginald B. Newman II, Thomas A. Lombardo, Jr., M.D., Luiz F. Kahl and William H. Pearce, Jr., chairs of the Foundation's *Growing for our Community* Campaign, were cited for their leadership and their distinguished service to Kaleida Health.

## Heroic efforts for Home Care

Since 1885, the Visiting Nursing Association (VNA) has cared for patients – from newborns to the elderly. Today, the generous support of the community translates to more than \$530,000 per year in charity care for our most vulnerable patients who are under or not insured. In fact, the VNA of WNY's *Charity Care Program* is now 83% larger than the average for VNA's across the United States.

## Women's Boards

Women's Board members are heroes who support Kaleida Health patients and families.

The Junior Board awarded \$110,000 to 30 departments within Buffalo General Hospital to improve patient care, advance research, and purchase equipment.

The Deaconess Center Women's Board provided nursing home residents with potted flowers and plants, which brightened patients' rooms and spirits.

Through special events and gift shop sales, the DeGraff Hospital Auxiliary raised funds to purchase hospital transport equipment, enhance the grounds, and award continuing health care education scholarships.

The Millard Fillmore Gates Circle Women's Board renovated the Skilled Nursing Residents' Lounge. With comfortable furniture and media center, the room is now a great place for residents and their families.

The Women's Board of Millard Fillmore Suburban Hospital renovated two surgical waiting rooms, and continued to support the hospital's expansion project.

DeGraff Memorial Hospital's newly renovated hospice suite was dedicated in honor of a hero whose life and legacy lives on.

Joe Oliverio's zest for life and unwavering commitment as a DeGraff volunteer for 15 years, despite his own battle with cancer at age 84, continues to inspire others.

The DeGraff Community Council lead the effort to transform two patient rooms to replicate the look and feel of a residential bedroom, complete with an adjoining family room for patients who need hospice care, with funds dedicated to DeGraff from bequests made to the Kaleida Health Foundation.

The new suite is designed to do just what Joe did at DeGraff – comfort the staff, patients and their families. Symbolically, the space named in his honor will carry on his noble work for years to come.

## Heroes who lead by example

Retired Congressman Jack Quinn and Dennis Rivera, president of Service Employees International Union 1199, were honored with Kaleida Health's inaugural "Spirit Award." The award was given to these heroes at Kaleida Ball 2004 in appreciation of their "significant and spirited support of Kaleida Health" as it "seeks to improve the health of the Western New York community."

## Life-saving Invention

Syde A. Taheri, M.D., who practices primarily at Millard Fillmore Gates Circle, is receiving worldwide accolades for his revolutionary invention. His research, funded in part by the Kaleida Health Foundation, led to the development of the Talent Thoracic Stent Graft, a device that allows patients with abdominal aortic aneurysms to avoid major abdominal surgery. Instead, a synthetic graft supported by a metal stent is threaded through the leg and released at the aneurysm site, which stabilizes or bypass the ballooning site in the aorta.

## We had a ball!

A creative night of food, friends and fun at the HSBC Arena entertained over 1,200 partygoers at Kaleida Ball 2004.

One of Western New York's most prestigious black tie events, the Kaleida Ball has raised over \$2.5 million to support diabetes, geriatrics, and cardiac care throughout Kaleida Health. This year's proceeds helped support the emergency room expansion at Millard Fillmore Suburban Hospital.

*This donor list represents gifts received by the Kaleida Health Foundation between January 1, 2004 and January 15, 2005.*

*If we have erred, please accept our apology. Call us at (716) 843-7470 and the error will be corrected. Donors to Women and Children's Hospital of Buffalo Foundation*

*are listed in the Women and Children's Hospital of Buffalo Foundation annual report. For a copy, call 878-7713.*

# Tribute Gifts

Tribute gifts are a special way to recognize those whose lives are a continuing source of pride, gratitude and inspiration.

We are grateful to those who have made gifts in honor, or in memory of, people who hold a special place in their heart.

# Growing for our Community

## MILLARD FILLMORE SUBURBAN HOSPITAL EXPANSION

Much has changed since Millard Fillmore Suburban Hospital opened its doors in 1974. Today, it serves the needs of a much larger and diverse community from young families to those residing in assisted living facilities.

It is Kaleida Health's goal to expand Millard Fillmore Suburban to meet our community's needs for the future and make Suburban one of the premier adult hospitals in Western New York.

We are grateful to the following individuals who have made leadership gifts in support of the expansion of the Millard Fillmore Suburban Emergency Department.

### \$500,000 and up
